

August 1st, | 2023

We are pleased to invite you to the **Global Summit on Diamond Open Access**, which will take place in **Toluca, Mexico, from October 23 to 27, 2023**.

Your experience and perspective on Diamond Open Access will enrich the audience's understanding of this topic and contribute to an Open Science advancement around the globe.

The international meeting will consist in a series of hybrid and multilingual events, organized by: Redalyc, UAEMéx, AmeliCA, UNESCO, CLACSO, UÓR, ANR, cOAlition S, OPERAS and Science Europe.

This event provides the opportunity to attend a multilingual and diverse event with multiple conferences, panels, workshops and three main events: IV Congreso Internacional de Editoras/es Redalyc, Segundo Encuentro de Membros AmeliCA, 2nd Diamond Open Access Conference.

We kindly request for you to register your summit attendance, which has no cost and can be done through **this site**.

We would be honored to have you as a part of a collective reflection and call for action in favor of a global knowledge ecosystem that celebrates and supports Diamond Open Access, a non-commercial publishing model.

Sincerely

Organizing Committee
